NEW ARRIVALS FROM FRANCE

AUTARD COTES-du-RHONE | GRIMARD | RAFFAULT ROSE | GAUTIER VOUVRAY ARGILEX

NEW ARRIVALS FROM SPAIN

Jimenez Landi- Sierra de Gredos, DO Mentrída

In the elaboration of our wines we seek balance, freshness, finesse, elegance and depth. We look for wines that represent our nature and the typicality of the soils, varieties, and environment. Our elaborations are very natural. We work with the indigenous yeasts of our vineyards without using chemicals. We try not to be too interventionist in order to produce wines that are honest and open to our area and the nature around us.

Mas d'En Gil- Priorat Clos Fontà

Old vines, the most precise representation of Mas d'en Gil terroir. Clos Fontà concentrates black fruit and minerality in a complex wine. It is the fruit of observation, the passing of time and the will to feel, meditate and recount. It epitomises this unique landscape.

Byington Vineyard & Winery sits on 95 mountainous acres surrounded by redwood forests with a view to the Monterey Bay. Our history dates back to 1987 with the release of our first vintage. In 2013, Tech Industry Leader, Benny Madsen, purchased Byington, investing significantly in the vineyard, wine production, facilities and grounds, including solar power production. Byington produces award-winning Pinot Noir from our Estate vineyards: 8 acres of premium Byington Estate Pinot Noir at 2000 ft. elevation in the Santa Cruz Mountains. We use nearly organic practices including the use of no pesticides, and no chemicals beyond SO₂ required as a preservative. Our Winery practices sustainability and is fully solar powered. We are committed to producing our Estate Pinot Noir in an Old-World style that is hand-picked and sorted, fermented with native yeasts, aged in caves, and bottled in our winery.

This Pinot Noir was grown in the high elevation and cool climate of the Santa Cruz Mountains on Byington Estate, finding the perfect terroir to bring vivid flavors of cherry & strawberry to life. 30% 1 year old French Oak adds a hint of toasty vanilla, and enhances the light yet rich mouthfeel of this Pinot Noir. Whole clusters and 100% native yeast were used in fermentation, allowing this wine to fully exhibit all of the natural character that our unique region has to offer.
